

## DUNGEONS & DRAGONS LIVING FORGOTTEN REALMS

(character name)

HAS RECEIVED STORY AWARDS FROM

**CORE5~9 LAST TESTAMENT**

### **CORE107 Friend of the Shadovar**

By giving the Netherese evidence that either Cormyr or the Harpers were complicit in the assignation of Lord Thamalon, you have gained the favor of Prince Lamorak.

In any future dealings involving a Shade Prince you are viewed favorably by the Netherese (score an automatic success on the first Diplomacy or Bluff check you make during an appropriate encounter, and gain a +2 bonus on any subsequent checks, at the DM's discretion).

### **CORE108 Friend of the Harpers**

Muriel is impressed with how you covered up the actions of a Harper agent. In any further dealings with the Harpers you will be regarded favorably (you gain a +2 bonus on social skill checks with Harper NPCs, and/or other appropriate benefits at the DM's discretion).

This Story Award counts toward membership in the Harpers. For details, see the *LFR Meta-Organization Guide*.

### **CORE109 Last Will and Testament of Thamalon II**

In gratitude for your fulfilling his last wishes, the ghost of Thamalon interposes himself to save you when your life is on the line. You gain the following single-use power. Void this Story Award when you use the power.

**Immediate Interrupt (No Action)**

*Trigger:* You suffer a critical hit.

*Effect:* The ghost of Thamalon II appears and intercepts the blow, absorbing all the damage you would have taken from the triggering attack.
