

DUNGEONS & DRAGONS LIVING FORGOTTEN REALMS

(character name)

HAS RECEIVED STORY AWARDS FROM:
WATE3~1 MOON RISING

WATE30 Vengeance upon Vanrak

You have joined Lady Alathene's centuries-old quest to find and destroy Lord Vanrak Moonstar. Your commitment to this noble cause is seen favorably by House Moonstar, the clergy of Selûne, the City of Waterdeep, and Selûne herself, unless you abandon the quest. The Brightcloaks Major Quest continues in *WATE3-2 Deepest Shadow* and concludes in *WATE3-3 Dark Ranger*.

The goddess Shar is not pleased by your alliance with Lady Alathene. She and her servants regard you as a danger and will seek to defeat you at any opportunity.

WATE31 Lady Alathene's Return

You have earned the gratitude and favor of both Lord Stedd Moonstar and the High Priestess of the Temple of Selûne in Waterdeep. Either of these NPCs will provide aid or knowledge (as determined by the DM) sufficient to grant you one automatic success during a skill challenge in Waterdeep. This Story Award can only be used for one success during a particular skill challenge, no matter how many PCs at the table have it.

This Story Award counts a favor with the Heirs of Mirt meta-organization and may be used to fulfill the membership requirements of that society. See the *LFR Meta-Organization Guide* for more information.

WATE32 Honorable Mercenaries

You spared the lives of some rival adventurers who sought the same prize as you. The Company of the Great Wyrn regards you as honorable. If you should meet them again, the meeting would be friendly. These mercenaries also have contacts within the Cult of the Dragon. You gain a +1 bonus to all Streetwise checks made to learn information about the Cult of the Dragon (the bonus does not stack with itself if multiple PCs at the table have this Story Award).
